## Communiqué of the Technical Delegate

### Front disc wheels for tandems - B Classification - Sprint Qualifying

After consultation with the UCI Coordinator of the Track Commission, in accordance with the recent UCI World Track Championships in Cali, Colombia, the use of a front disc wheel is allowed for the B Classification tandem flying lap qualification only. They are not allowed in the matches of the competition.

### Emergency access

It is recognized that the tunnel entry and ramp are the coolest locations in the velodrome in the afternoons. These areas are the principal emergency access point for the ambulance. Therefore :

- Do not leave any unattended material, equipment or cycles in this area.
- Do not place any equipment or gather in a manner that would block the opening of the doors.
